

Madisonville SMART Elementary

Date: 6/30/2017

Attn: FCC

Subject: Waiver Request for a FCC Form 471 Extension for E-Rate through USAC

FCC Registration # 0025446709

Billed Entity # 17012157

To Whom It May Concern:

Madisonville SMART Elementary is requesting that the deadline for the submission of form 471 be extended. We have selected our provider and would like for our submitted 471 to be honored. The school district experienced turnover in the administrative position that provides oversight to the E-Rate filing process. To ensure a quality and affordable provider was selected, more time was needed.

Thank you in advance for your time and consideration,

Donray Bennett
